Dear Mr. Claus:

Re: Notice of Intention to Commence Small Mining Operations,
Project 36, SV International, S/017/022, Garfield County,
Utah

Thank you for your Notice of Intention to Commence Small Mining Operations, received by the Division on August 5, 1988. The application is complete and no additional information is required at this time.

The variances, which you requested, on revegetation and soil salvage (M-10 (12) and (14)) are hereby approved. According to your description and that of Mr. Jerry Mansfield, of the Division of State Lands and Forestry, no topsoil or plants presently exist on the areas to be disturbed.

Should you wish to expand your operation beyond the 5 acre limitation, please notify this office as soon as possible to avoid any unnecessary delays. Thank you for your cooperation. When in the area a member of the Division Staff will examine the site. In reply, please refer to S/017/022.

Sincerely,

Holland Shepherd
Reclamation Soils Specialist
